**GRAEFENBERG COMPANY, NEW YORK.**  
**Monthly Bulletin, No. 1.**  
THE reflective traveller, as he reaches the highest ridge of the Alleghenies, on his journey westward, is filled with the most profound and interesting sensations. His fancy rapidly surveys that vast and magnificent region which stretches itself far away toward the setting sun, bounded only by the waves of the Pacific. Majestic rivers flow on through interminable woods; rich prairies, like seas of verdure, are spread out, decked with bright and nameless flowers. Upon those countless millions of richest acres, the entire population of two worlds like this, might find homes of plenty!—These wondrous features of the mighty West fill his mind with the profoundest sensations.  
He reflects still further, and the painful fact occurs to him that one great difficulty affects that region, viz: that which relates to HEALTH. He knows that beside those streams, and upon those prairies the enterprising inhabitants are often and sorely afflicted with

**Bilious Complaints**  
in all their multiplied forms. A feeling of impatience comes over him that so little thus far has been accomplished to prevent and cure these; especially when he considers that no class of diseases yield so readily to proper means. It is not too much to say that if the difficulty alluded to were removed, and the

WEST MADE AS HEALTHY AS THE EAST, tens upon tens of thousands of human lives would be annually saved; and every acre of land in the entire West be doubled in value.

THE GRAEFENBERG COMPANY came before the public fully impressed with the importance of this subject; and with the positive certainty that they can prevent and cure the diseases of the west. The public has welcomed the company with unparalleled enthusiasm. Every where its medicines are taking the lead of all others; and curing diseases which have baffled all other means.

The company will hereafter issue MONTHLY BULLETINS by means of which the public can learn more of its operations. In the present one it can only be stated that

1. The Graefenberg medicines are purely vegetable.  
2. They have been tested in tens of thousands of cases with perfect success.  
3. Of the Vegetable Pills alone 20,000 boxes are sold each and every week!  
4. The demand is constantly increasing.  
5. Every article purchased of the company or any of its agents is warranted, and if it does not give satisfaction the money will be refunded.

The three medicines to which the company would call attention in the present Bulletin, are THE GRAEFENBERG VEGETABLE PILLS, for the prevention and cure of the ordinary diseases which afflict humanity, (especially bilious); these Pills are infinitely superior to any the world has ever before seen. No language can describe their virtues. They are an amendment to all others before the public as light is to darkness. Every family in the whole west should try them. If they do not give perfect satisfaction, the money will be promptly refunded. Price 25 cents per box.

THE GRAEFENBERG FEVER AND AGUE PILLS. This pill is the great conqueror of Fever and Ague and Fever of all other types and forms.

THE GRAEFENBERG HEALTH BITTERS! A preventive bilious and other diseases; and a restorer of the strength, the appetite and a healthy complexion. Price 25 cents a package, which will make two quarts of Bitters superior to any in the world.

The other medicines are the Graefenberg Sarsaparilla Compound, the Graefenberg Eye Lotion, the Children's Panacea, the Green Mountain Ointment, the Consumptive's Balm, the Dysentery Syrup.

It is intended that there shall be a Graefenberg Depot in every neighborhood in the United States, at which the Company's medicines may be found.

The General Agent for Missouri and South Illinois, is E. K. WOODWARD, St. Louis, to whom applications for agencies may be addressed.

MCNEIL, 23 Market street, St. Louis, in addition to the New York Spring style of hats already announced, has received from Paris, per latest steamer, the spring style of hats just now introduced in that city, a neat and beautiful shape; he is thus enabled to offer his customers a choice between the New York and Paris fashions of the present season. The style and finish of those hats, as he is now making them, is superior to that of the former styles, which have given the hats of McNeil so general a popularity in the West—various improvements in the trimming and fit of the hat on the head, recommend them at once to the customer. Persons wanting a hat, or those desirous of witnessing the progress of mechanic art in an important article, are invited to call at 23 Market street: (1-2m) JOHN MCNEIL.

THE Eighth Session of this Institution will commence on Monday, the 13th day of March, and continue four months. By a new arrangement the academic year is divided into two sessions of unequal length—the one of four and the other of six months—and the terms are varied in a corresponding manner. For the summer session, we have the following

TERMS.  
For the primary studies, \$5.00  
" Common English branches, 6.00  
" Higher " 8.50  
" Latin and Greek Languages, 10.50  
EXTRA CHARGES.  
" Music with the use of the Piano, 14.50  
" without " 12.00  
" French, Drawing, Painting and needle work, the usual prices.  
Good boarding can be procured at from \$1.25 to \$1.50 per week, every thing found.

The superintendence of the school, by sanction of the Trustees, will remain in the hands of Mr. WILLIAM T. LUCKY, A. M., and Rev. NATHAN SCARBUTT, A. M. The great success of the school, under their direction, is the best evidence of their qualifications.

We are happy to say that the last session has been uncommonly prosperous. Although the school has been crowded almost to overflowing with pupils, yet by an additional number of teachers, the department of instruction has been amply sustained.

The course of instruction embraces all the branches of a complete English Education, together with the Latin, Greek and French languages. All persons desiring to attend the school, are urged to be present at the beginning of the session. We bespeak for Howard High School a continuation of that patronage which has been so liberally extended to it heretofore.

You are hereby notified, that on the 30th day of October, A. D. 1847, the complainant, Nathan H. Stephenson, filed his bill of complaint, against you and the other defendants above named, stating among other things, that the said defendant, Lewis Roy, was the said owner of 950 acres of land, situate in the district of New Madrid, at a place called the "Portage," of which tract, 640 acres were confirmed to said Roy; that the said Roy, in pursuance of the act of Congress for the relief of the inhabitants who suffered by earthquakes, obtained a certificate for the location of 640 acres of land, in lieu of said tract so confirmed to him, which had been injured by earthquakes, which certificate was issued on the 28th Nov. 1815, and is of class No. 1, and certificate No. 53; that said Roy afterwards sold and conveyed said certificate, by deed to Stephen Rector; and the said Rector afterwards sold and conveyed said certificate to one Alexander Stewart; that the said Stewart afterwards bargained and sold said certificate to one Joseph Hicatt; that on the 22d of Oct. 1816, said Joseph Hicatt, caused said certificate to be located on a tract of land, situate in Howard County, Mo., which tract is bounded as follows, to wit: Beginning at a stake which stands 210 poles north of the township corner, to townships No. 49, and 49 and 50 north of the base line, and for ranges 15 and 16 W. of the 5th principal Meridian, running thence North, 320 poles, thence East, 320 poles, thence South, 320 poles, thence West, 320 poles, to the beginning, containing 640 acres; that on the 2d of Oct. 1817, the said Joseph Hicatt, assigned and transferred to his son Moses Hicatt, and his son-in-law Philip Owens, the said deed of said Stewart; that the said Moses Hicatt, on the 9th of May, 1831, in consideration of \$669.00, bargained and sold to the complainant, 139 acres of said tract; and that said Moses Hicatt, on said 9th May, 1831, executed a title bond to the said complainant, setting forth the nature and terms of said sale; that on the 10th Sept. 1842, said complainant and the heirs of Philip Owens, caused a petition in the Howard Circuit Court, for a partition of said tract of land between the said complainant, and the heirs of Moses Hicatt, dec'd, and the heirs of Philip Owens, dec'd; that at the may term, 1842, of said court, judgment of partition was had in said cause, by which said complainant was adjudged to own the amount of 126 acres of said land; that commissioners were appointed by said court, who proceeded by direction of said court, to set apart to said complainant out of said tract, 126 acres, and one half, by metes and bounds as follows—to wit: Beginning at a post, the N. E. corner of the survey, at a white oak, 8 inches in diameter, S. 10 deg. E. 61 links, and a white oak, 18 inches in diameter, 8 deg. Now you are required to appear in the said Howard Circuit Court, on or before the third day of the next term of said court, to be held at the court house, in the town of Fayette, in, and for said county, on the first Monday of June, 1848, then and there to answer the said bill, or the same will be taken for confessed, and it is further ordered, that this order be published in some newspaper printed in this State for 8 weeks successively, the last insertion to be at least four weeks before the commencement of the said term.
